NASA SEWP VI

Ordering Guide — Business Technology Integrators (BTI)

How Federal customers can order IT products and product-based services from BTI through the NASA Solutions for Enterprise-Wide Procurement (SEWP) VI Government-Wide Acquisition Contract (GWAC).

About NASA SEWP VI

NASA SEWP is a multi-award Government-Wide Acquisition Contract (GWAC) managed by the NASA SEWP Program Office. It provides all Federal agencies and their approved contractors a fast, low-cost way to purchase commercial IT products and product-based services through pre-competed contracts, a central ordering process, and dedicated program-office support.
